MPE

Portable, Electric-Powered, Cold Water Pressure Washer with up to 5000 PSI Cleaning Power

- *5000 PSI Cleaning*
- *Belt-Drive Landa Pump with 7-Year Warranty*
- *20 HP Baldor Motor*
- *Hose Rated to 6000 PSI*
- *Rugged Steel Roll Cage*

Stripping bark from logs is only one of the many applications for the MP or MPE high-pressure washers with cleaning power of up to 5000 PSI.

MPE5-50024B

WHY CHOOSE THE MP or MPE

No other cold water pressure washer delivers more blasting power than Landa's gasoline-powered MP or electricity-powered MPE. Both deliver the rare—but highly effective— blasting combination of 5 GPM and 5000 PSI.

It's enough to cut salt-water barnacles from a ship's hull, rip bark off logs and strip paint from metal.

There are two models of the MPE, 230V 3ph and 460V 3ph, both of which come standard with a Nema 4 electrical box, a reliable 20 HP Baldor motor, a Cutler-Hammer magnetic starter and a 12-ft. electrical cord.

Both the MPE and MP are well known for their:

■ **QUALITY:** All top-drawer components, including reliable Landa high-pressure pump with 7-year warranty, extra-reliable Honda or Kohler-Lombardini engine or Baldor motor, rugged steel frame and chassis and industrial point-and-shoot wand for cleaning effectiveness.

■ **SAFETY:** Both are certified to rigid UL-1776 safety standards, with 24-inch hose guard for burst protection and tri-lingual operating instructions for operator protection.
